www.saltmarshcpa.com

Michael is a senior manager in the Audit & Assurance Services practice of Saltmarsh, Cleaveland & Gund. With over 16 years of experience, he specializes in a range of industries, including nonprofit organizations and real estate. His deep understanding of financial reporting, compliance and his ability to provide strategic insights, help clients navigate complex regulatory landscapes. Prior to joining Saltmarsh, Michael held leadership roles as the controller and VP of Accounting for real estate development companies. His background in public accounting and private industry enables him to bring a well-rounded perspective to his client engagements.
