Michael is a director for Saltmarsh Financial Advisors, LLC, an affiliate of Saltmarsh, Cleaveland & Gund. With over 22 years of expertise in asset management and financial planning, he specializes in delivering comprehensive wealth management solutions that integrate asset management with tax planning and risk management. He works closely to ensure that each client's financial goals are met with a comprehensive plan and strategies tailored to their unique risk tolerance, growth objectives, and overall financial well-being.

Michael's extensive experience in portfolio management focuses on risk management and diversification, helping clients achieve their goals without exposing them to unnecessary risk. With a keen interest in the complex nature of investment markets, Michael thrives on the challenges that come with helping clients navigate financial landscapes, making him a trusted partner for those seeking strategic financial growth. His favorite Saltmarsh Fundamental is 'Do What's Best for the Client' because he believes by operating through this lens, success for the client and the practice is inevitable.
